We were in a bind and trying to get a mortgage refinance on our house and Jenny Wagner went above and beyond what we expected!! She made it so easy and worked extremely hard so we could close by our deadline. I would highly recommended Treadstone to anyone. A+++++++

— Richard W. (May 2023)

Jenny and her team at Treadstone were awesome! She walked us through the entire process, had excellent communication, and made my wife and I feel taken care of. Jenny even came to our closing! I would strongly recommend Jenny & her team to any of my friends or family!

— Sam B. (May 2023)

Jenny & her team are great to work with! Everything was very straight-forward and completed quickly and easily.

— Rachel T. (March 2023)

Not only did Jenny help us get approved for our mortgage, she also took the time to explain how crazy the market is, what an escrow was, how to calculate closing fees, and everything we needed to know about interest rates. Jenny goes above and beyond helping not only during the process, but also after! She routinely checked in, shared in our excitement and is dedicated to getting her clients the lowest interest rate. She got to know us— always answering questions no matter how small or big and supported us through my surgery, our wedding planning and the process of closing. If you want a personable, honest, and incredibly knowledgeable mortgage lender RUN to Jenny!!

— Jacqueline C. (November 2022)

I had the pleasure to work with Jenny. She helped me throughout the process of getting my first mortgage. She answered every question I had, and was there when I closed (still answering my questions). Jenny and her team are diligent and have very good communication. I felt like I was working with family at Treadstone.
