Here's what some of our customers had to say about working with Amber!

It was amazing to work with Amber and her team. As a first-time buyer at 20, she explained everything to me in detail and walked me through things that were a bit confusing. It was a great experience, I will be working with Amber and her team if I ever buy another house in the future.

Treadstone is such an amazing mortgage company to work with when purchasing a home! We had the opportunity to work with Amber and her team, who assisted us with the whole process from start to finish with minimal issues. As a first-time home buyer, it was so nice to have a Loan Officer who offered her time and knowledge to answer any and all questions I had. Prior to being approved, Amber told us exactly what needed to be completed and the process was less stressful than we ever expected! We found an amazing home and closed extremely fast. I would definitely recommend Treadstone to anyone who needs an effective and efficient mortgage lender (particularly Amber and her great team). Thank you Amber, we appreciate you and your hard work so much!!

Amber and her team were amazing! They all communicated well and informed me of each thing I needed to do. They were very knowledgeable and experienced in the loan process.

Amber had my best interest at heart, and informed me of the best route I should take with my loan. I am glad that I chose to work with Amber and Treadstone! I am appreciative!

Got my first mortgage through Treadstone. Amber Wagner and her team were a tremendous help! They worked with me tirelessly to ensure that I understood the process, and got my documents processed in a timely manner.
