Here's what some of our customers had to say about working with Kalah!

I enjoyed working with Kalah Statton and her team at Treadstone. It was very easy and quick. This was my first time buying a home, and the experience was awesome because this team made it go so well. We were able to close almost 3 weeks before our original scheduled date, and we couldn't have been happier! I definitely recommend.

Kalah was our Loan Officer, and she gave us a great first-time home buying experience! Her and her team were friendly, quick, efficient, helpful, & responsive. I would highly recommend working with Kalah to anyone! I couldn't believe how smooth everything went.

– Amanda L. (June 2022)

Kalah & the squad at Treadstone Funding were amazing from start to finish. They helped my fiancé and I make sense of what can be a very complicated process as first-time home buyers, and empowered us to be confident in our decisions and offers. Ultimately, in a competitive market, it's imperative that you can work with people you trust and have a good relationship with. They provided that and so much more.

– Loren B. (June 2022)

From start to finish Kalah and her team were so much help. Being a first-time home buyer there are a lot of things you don't know. They were able to answer all my questions, and were prompt.
