Here's what some of our customers had to say about working with Scot!

We had an amazing experience working with Scot and his team. Scot is warm, genuine, and dedicated. He helped us understand, and feel confident with, the home buying process and the financial options that we had as first-time home buyers. We'd highly recommend Scot and his team.

– Dana H. (January 2023)

Scot and the team have been wonderful to work with. We have purchased two homes and did one refinance with them and they always go out of their way to make the process as smooth as possible. Scot stayed in frequent contact with us on where things were in the process and how the market was shaking out with rates, which was greatly appreciated. We'd recommend anyone looking to purchase a home work with Scot.

– Anthony E. (December 2022)

Scot made everything very easy and helped us to feel super confident in our financial moves.

– Michael W. (October 2022)

Had a great experience from beginning to end with Scot and his team. He was open and available for calls and conversations for all our questions. His team is quick with communication and emails. It was a positive experience for such a big life decision.

– Ericka R. (October 2022)

We worked with Scot Veneklasé twice (once in 2020 and again in 2022) and had nothing but efficient, inventive, & responsive service. It's a very nice feeling to be in their trusted hands for such a large endeavor. Thanks again!

– Ben H. (September 2022)

Scot and his team came highly recommended by our Realtor, and I could not be more grateful! As a first-time home buyer, I had a lot of questions, but Scot was always there to answer them! They would offer us closing cost quotes on properties we looked at, and broke down what all our closing costs would be so there were no surprises once the papers were signed! Scot was very easy to contact and quick to get back in touch with emails/phone calls! I cannot say enough good things.

– Hannah H. (August 2022)

Scot and the team were exceptional! Super knowledgeable and made everything really easy to understand. They were also very responsive. They're always there for you.

– Sam K. (August 2022)

Scot and his team were phenomenal! We had a smooth experience and they were always there to answer questions. We have busy schedules, so it was great having them to work with and be so flexible.
