Here's what some of our customers had to say about working with Toby!

Toby was so easy to work with, the communication was top notch, and he was very detailed in everything he needed. Treadstone made a commonly painful process extremely easy.

Great experience with Toby and his team. From day one to closing, it was less than a month. I highly recommend working with Toby for your next mortgage.

Treadstone Funding is the best of the best! This was my first time trying to purchase a home, and I'm in my 60's, so I was really lost on where to begin. From the beginning, Toby and Jackson were amazing. They both went out of their way to be there for me through it all. I asked so many questions, and they answered everything and in a timely manner. They worked very hard to get me financed. Without Treadstone, my dream of owning a home would not have become a reality. They will make your dream a reality!!!

– Teresa E. (March 2022)

I have nothing but good things to say about Treadstone. Toby was extremely knowledgeable and helpful during the entire process. With his extensive experience, he was able to answer every question and got me the best possible rate.

– Jeff N. (February 2022)

Toby Crull and Jackson Prichard both went above and beyond to get things done as fast as possible. I am incredibly thankful to their team, as they guided us through our first-time home buying process.

Thank you so much!

Toby was wonderful to work with. My husband and I were in a mess of a situation with a bank and it was going to take 3 months to close on our home. We were scared we would lose the house. Then we switched to Toby at Treadstone. Toby and his team were able to close on the house with in 14 business days! Amazing customer service!
