Treadstone was recommended to me from my Realtor. All I can say about Wade is WOW, he knew what he was doing. He talked me through everything in great detail with professionalism, knowledge, and words I could understand. A mortgage is a big deal, and he made it happen for me with zero hiccups. I am grateful for the ease in which Wade and Austin handled my unique situation. I walked away with a positive experience and a new house! Wahoo!

– Erin A. (May 2022)

Working with Wade and his team was awesome! This is the first time getting funding through Treadstone, and a few years since buying a house. Wade really took the time to get to know me, what I was wanting, and helped me along the way. Any time I had a question or concern, Wade and his team were right there to point the way. Not only was this terrific but we also closed a week early too! I highly suggest Wade and Treadstone for all of your mortgage needs.

Wade went above and beyond pushing through a tricky transaction with haste and finesse.

– Joel B. (November 2021)

I worked with Wade for basically all my financial needs and questions, which were numerous as a first-time home buyer. He was super patient, very responsive, and always had an answer for me. I always felt comfortable and confident working with him, especially as we looked to make an offer and eventually close. In spite of the crazy market, my closing went super smooth, and I definitely think I have him to thank.

– Michelle D. (September 2021)

As a first-time buyer I had an excellent experience working with Wade Monsma at Treadstone. He went above and beyond. He even came to my closing and gave advice on things I should know as new home owner.
