Here's what some of our customers had to say about working with the KP Team!

I am new to Michigan and was referred to Kevin at Treadstone by my realtor. The whole experience, start to finish, was pretty easy and very convenient despite me being out of state. Throughout the process, the KP Team was very helpful, responsive to emails, and overall very pleasant to work with. I appreciated the walk through of the mortgage process. No surprises. My family is looking forward to settling into our new home in Michigan.

Kevin and his team were professional, friendly, and helpful. They made the process seem easy and took the time to explain all our questions about our home loan. I highly recommend working with them!

– Matt W. (August 2023)

Huge shoutout to Kevin and the rest of his team, this is the second mortgage in which we have worked with Treadstone Funding, always professional, prompt and very easy to work with. I highly recommend making a call and seeing how the team can help you get your dream home!

KP team are All-Stars! They keep the mortgage process moving, meaningful and very manageable. They are total professionals in this arena. I have recommended them many, many times and always get good reports back. This was my third loan they arranged for me; if I ever do another residential loan, it will be through Treadstone without a single doubt!

– Mark C. (March 2023)

Working with Treadstone was such a pleasure. The KP Team made this process EASY! Each of them went above and beyond. I will happily continue using their services in the future!

– Chandler W. (January 2023)

Kevin and his team were all amazing to work with and made this process go super smooth. As a first-time home buyer, I had many questions. Everyone was super helpful and always available to answer any questions I had. I'll suggest Treadstone to anyone looking to finance a home.

The KP Team made this whole process so easy!!!

Everyone should do business with them! Highly recommend for any type of mortgage. Thank you for all of your help!!

– Dave R. (October 2022)

As a first-time home buyer, working with Treadstone was a positive experience. I worked primarily with Heidi earlier in the process. She was particularly helpful in providing the latest starting rates and assisting with tax estimates. Once an offer was accepted, I worked more with Kevin, who was able to provide a very detailed breakdown of closing costs and answer several questions on closing and loan terms. With a pre-approval in place, and many documents already in hand, the closing process was quite smooth, aided by their web portal with helpful tracking of the process and any open tasks. There were no surprises during closing and the process was wrapped up a week or two ahead of schedule!
