

bridge loan

Although we pride ourselves on the fastest closings in the industry – with our Bridge Loan mortgage you won't have to rush. The Treadstone Bridge Loan allows our customers to make an offer on a new home without being rushed to complete the sale of their current home. The bridge loan can provide the down payment for your new home by using equity in your current home. In many cases, making an offer noncontingent on the sale of your current home, increases buying power and give you flexibility in your homebuying process.
