Here's what some of our customers had to say about working with Mallory!

Mallory Strotheide was very professional, and she went out of her way to make sure that we were happy. She also closed on our new home in record time – amazing people to work with!

Team Mallory went above and beyond once again to help us through the home buying process! This is our second time working with them, and we will always approach them first in the future. They are a highly motivated team that is dedicated to putting your needs first!

– Grant C. (December 2023)

My partner and I worked with Mallory's team at Treadstone during our home-buying process, and we felt like she was really rooting for us to land the perfect home. Throughout the process, they provided detailed breakdowns and comparisons for us to review; we are first-time home-buyers, so the attention to detail really helped put us at ease! Having a locally recognized mortgage company is good, but having a real person in your corner rooting for you is even better!

– Ethan C. (December 2023)

As a first time home buyer, there was a lot about this process that I did not understand. Mallory & her team at Treadstone did exceptional work explaining all the different options available, along with answering my questions, comments, and concerns in a timely manner. A+ service.

– Laura H. (November 2023)

From start to finish, working with Mallory was a positive experience – she was amazing! She was always professional, responsive, and answered all my questions.
