LICENSED PRE-APPROVAL SPECIALISTS

Licensed Pre-Approval Specialists are the difference makers! They are the customers' first point of contact in the loan process, and their number one goal is to create a customer service experience that fosters trust from the start with both the borrower and the Realtor. Their customer service is only matched by their extensive knowledge of all the current loan programs.

Licensed Pre-Approval Specialists field all of the initial calls from clients for pre-approvals. They collect and process the loan applications up to underwriting, including gathering all the initial paperwork and arranging a loan consultation meeting with Brendan O'Driscoll or one of their team.

Preferred Form of Communication: Phone calls are the best way to reach any of our super extroverted Licensed Pre-Approval Specialists.

LOAN COORDINATORS

Loan Coordinators are the true magic makers, their job is to cross every T and dot every I with accuracy and speed. The Loan Coordinators take over once the purchase agreement or refinance is executed. They work as your daily contact for any questions regarding the loan while it is in underwriting. The Loan Coordinators will also be in charge of coordinating with the title company the place and time of the closing.

Preferred Form of Communication: Email is almost always the fastest way to communicate with our super focused Loan Coordinator.
