

RESIDENTIAL MORTGAGE LENDER

Ana Wodek Pupel

A proud MSU Alumni, Ana left Michigan after graduation to explore her passion for Fisheries and Wildlife. Her love of the environment brought her to some of the most beautiful places in the world.

After 5 years of living remotely working at fish hatcheries, Ana realized how much she missed PEOPLE! So, she returned to Michigan craving a career that allowed her to help people and cultivate relationships along the way. With a little help from a friend, Ana found the perfect fit as a Loan Officer with Treadstone Funding.

Known for her caring and honest personality and her ability to connect with anyone, Ana is her client's biggest advocate. New homes often represent new chapters, requiring a different level of understanding and compassion, and Ana's ability to communicate effectively puts people at ease. Her dedication to making the "impossible," possible, makes her day job a dream job.
