Here's what some of our
customers had to say about
working with Ana!

My fiancé and I worked with Ana for our mortgage. She is amazing! She truly went above & beyond for us, and we felt so lucky to have her in our corner throughout the process!

Ana took excellent care of us when we bought our beautiful new house! She broke down all of the complicated steps for us and made sure we fully understood everything before we even started signing documents. We really appreciated her knowledge and insight and are now sitting in our dream home.

If you are looking for a lender that can help guide you through the many steps of purchasing a home, I could not recommend Treadstone Funding enough! Ana was so kind, patient, and informative all throughout the home buying process. She was there whenever we needed. We wouldn't have gotten to the finish line without her help.

— Tom S. (May 2025)

We recently worked with Treadstone to purchase a home, and we had an excellent experience working with Ana and her team. What I loved most about working with them was their level of communication — they went above & beyond what is normally expected.

— Benjamin R. (May 2025)

Ana Wodek Pupel was amazing to work with! We were first time home buyers, and she made the whole process very easy and made sure to answer all questions we had very quickly! She was very helpful. The whole team made the process easy and enjoyable, while being transparent and thorough with their work.

— Hannah C. (April 2025)

Ana & the Treadstone team made the loan process very smooth and easy. They answered all my questions very thoroughly and in terms that helped me understand. We will be using them again in the future for any loan needs with future properties.

— Nick B. (April 2025)

Ana was more than helpful and such an amazing person to work with! This was our first time buying a home, and she took so much time to explain what the steps were and answer any questions we had. She got to know us on a personal level and help us in this next stage of our lives. I have nothing but good things to say!

— Emily P. (March 2025)

Ana has been so helpful every step of the way with our loan process. Since this was our first home, we had a lot of questions! Ana was patient, quick to respond, and walked with us through the whole process.
